

WSC Qualification Criteria 2011

- You must be an Malaysian citizen,
- You must be an MSA member before January of the current year.
- The qualifying period is 1st September 2010 to 30th September 2011
- Compulsory attendance at the MSA Nationals 2011
- The Champion at the MSA Nationals 2011
- Played at least 60 games during the qualification period, 30 games being played during the last 6 months of the qualifying period
- Highest ranked player based on rating at the end of qualification period. Rating is based on the performance after a player has participated in Masters tournaments (MSA rated) and has played 60 games within the Malaysian rating system.
- If the highest ranked player happens to be the National Champion 2011, then the next highest rated player will take the 2nd spot.

The secondary criterion is number of rated games within the qualification period. If two players have the same rating, the one with the greater number of games in the qualification period is ranked higher.

The final decision rests with MSA.
